(A-Pak Bio Floor, Sink and L-DET HE contain 2 bottles of concentrated product)

Step 1: Add A-Pak to cleaning vessel

Step 2: Add water

Step 3: Use

A-Pak Products

A-Pak Glass Cleaner Concentrate – A blue colored liquid for cleaning windows, mirrors, shower doors, any glass surface, and all hard, non-porous surfaces. Streaking will occur if too much Glass Concentrate is used. Case content: 64 oz. & 2 labeled spray bottles.

A-Pak Restroom Cleaner Concentrate – Concentrated cleaner for use on all bathroom fixtures, toilets, showers, tubs, floors, and urinals. Concentrate can be used direct for heavily soiled fixtures. Does not contain harsh acids. Case content: 64 oz. & 2 labeled spray bottles.

A-Pak Neutral Cleaner Concentrate – Low foaming, neutral PH cleaner. Can be used for any cleaning. Works well on finished floors – neutral PH won't affect floor finishes. Can be used with auto scrubbing equipment. Case content: 64 oz. & 2 labeled spray bottles.

A-Pak BioFloor Cleaner Concentrate – Non rinsing, bacteria based floor cleaner with detergents. Cleans greasy floors, residual bacteria cleans microscopically on floor and grout. Reduces organic odors. Maintains drains. Mop on floor, scrub deeply soiled areas, mop remainder. Let excess go down drain. Air dry. Case content: 2/64 oz.

A-Pak Dual Q Concentrate – Quat sanitizer for use in the 3rd tank of a 3-vat sink system. Product to be used at a rate of at least 1.5 ounces of Dual Q to 4 gallons of water – this will equate to 150 ppm. A rate of 2 ounces of Dual Q n 4 gallons of water will equate to 200 ppm active quat. Immerse utensils or wet surface for a minimum of 60 seconds. Allow to air dry. Case content: 64 oz. & 2 labeled spray bottles.

A-Pak Degreaser Cleaner Concentrate – Aggressive, deep cleaning degreaser. Contains caustic soda, solvents, and a blend of cleaning surfactants. Will remove heavily soiled, greasy items with ease. Will work best when combined with hot water. Case content: 64 oz. & 2 labeled spray bottles.

A-Pak Sink Concentrated Manual Detergent – Pleasant scented manual dish soap. Concentrated. Case content: 2/64 oz.

A-Pak L-DET HE – A specially formulated liquid laundry detergent for all laundry applications. Contains optical brighteners for a fresh, clean appearance. Works well in all water temperatures. Lemon scented. Case contents: 2/64 oz.
